

Enhancing Volunteer Capacity

Computer Training Workshop

Through two weeks of training, CIWA volunteers will enhance their computer skills to facilitate the translation of outreach materials into multiple languages.

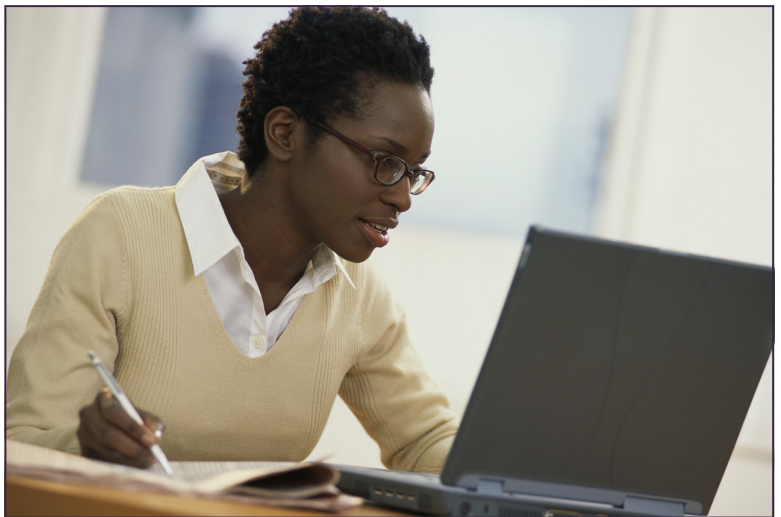

Participants will:

- Learn basic design skills
- Use Global Writer language software
- Increase technical skills and familiarity of Microsoft Office applications

Date: February 8, 10, 12, 15, 17, 19

Time: 10:00am– 12:00pm

Location: CIWA Main Office
8th Floor
