

Sai Kilari

Sai Kilari was born and raised in India. After receiving her Masters in Literature she studied and earned a Diploma in Teaching. She worked in Administration at a school in India and then was hired as an elementary school teacher. Some of Sai's hobbies include crafting, playing with children and exploring nature.

Sai started volunteering with CIWA not long after she moved to Canada in the fall of 2012. She currently volunteers on a weekly basis with both Youth Standing Committee and Youth Collaborative. She provides excellent support to the facilitators and helps with all activities for the youth. She is a Team Lead for the Youth Mentorship Project. In this role she contacts the girls once a month, gets necessary information and provides much needed feedback to the coordinator. She has also been supportive for multiple special events.

Sai enjoys volunteering because it has helped her understand Canadian workplace culture and it has greatly helped her to improve her English. She appreciates that she is treated like an equal and enjoys the amount of responsibility given to her when she performs various volunteer tasks. Volunteering with CIWA has greatly empowered her and helped her self-confidence.

Sai was nominated as volunteer of the month due to her dedication and passion for helping out. She is always willing to take leadership in everything she does and she always goes an extra mile to make sure both clients and CIWA employees are supported. Regardless of how many people come to events she performs her duties to the utmost of her abilities and does so with a fantastic attitude.

Congratulations Sai for being nominated Volunteer of the Month for April!

VOLUNTEER OF THE MONTH
