

Mahnaz Salehi

Originally from Iran, Mahnaz Salehi and her family moved to Canada just over two years ago. In Iran she received her Bachelor's Degree in Accounting worked for many years as an Accounting Clerk. Currently she works part time in Customer Service in the retail industry. Soon after moving to Calgary a friend referred Mahnaz to CIWA. She was drawn to CIWA because of the diversity of services offered that support newcomers. After receiving the support she needed to feel settled in Calgary, Mahnaz wanted to give back as a way of saying thank you for all that she was given. Currently, Mahnaz volunteers with reception on multiple floors and provides administrative support to the Volunteer Program such as maintaining files and training new volunteers.

Mahnaz thrives on being able to help people and is inspired by her Dad whose advice was 'always help'. She gladly accepts any task assigned to her as she knows that no matter what she does it is important to CIWA staff and clients. She appreciates that CIWA is an organization dedicated to helping all immigrant women. Mahnaz has learned many new things and enjoys networking and the multi-cultural aspect that exists in CIWA. She is grateful for the opportunity to learn about Canadian workplace culture and gain valuable work experience.

Mahnaz is chosen as Volunteer of the Month because of the highly reliable support she provides to CIWA's Administrative Team. She is punctual, efficient and a quick learner. She has keen attention to details and demonstrates commitment, honesty and thoroughness. Her hard work and contributions to CIWA are deeply appreciated and do not go unnoticed

Congratulations Mahnaz on being Volunteer of the Month for July!
