VOLUNTEER OF THE MONTH

Anu Regmi, originally from Nepal has lived in Calgary for 5 years. Anu has a Bachelor's Degree in Education and a Master's Degree in Economics. Currently she works as an In Home Support Worker at Immigrant Services Calgary, part time at Macs Convenience Store and seasonally at H&R Block.

In her free time Anu is very involved with the Nepalese community and participates in many of their activities. She enjoys cooking and meeting new people from different cultures.

Anu has volunteered at CIWA as a translator and interpreter, an ongoing Civic Engagement Program Facilitator in the community and at Calgary Housing, is part of the Multicultural Representatives Group and has helped with administrative tasks.

Anu likes volunteering as it gives her many chances to meet new people from many cultures, enhance her skills for employment, develop confidence, make new friends, be involved in Calgary, voice her opinion and provides her with excellent networking opportunities.

Anu is a very enthusiastic volunteer and is always willing to help. She is very dedicated and committed and can be always counted on to help. She is very kind and caring with clients and they find her very easy to talk to. She is outgoing and personable and never afraid of a new challenge.

With extreme gratitude we are pleased to announce Anu as the Volunteer of the Month for October 2011.
