

Monica Kim

VOLUNTEER OF THE MONTH

Monica Kim and her two pre-teens have called Canada home for 7 years. She was born in South Korea and moved to South America when she was a child. While living in Argentina, she studied Language and Literature while working as a Spanish teacher. In her spare time she enjoys watching movies, reading and spending time with her family. She also aspires to learn new languages and is driven by curiosity and passion for life.

When Monica learned about the Labour Bridging for Volunteers: Interpretation and Translation Program, she knew it was fate calling her home. She simply could not believe that such a fabulous program existed and that she could be a part of it. Monica continues to be involved with CIWA by providing translation and interpretation services. She says that every assignment given to her by CIWA provides her with a learning opportunity. She cannot express enough how much she loves what she does for CIWA and how volunteering has benefitted her. It brings her great joy when she sees people growing and to be able to give back to the community.

In addition to volunteering with Interpretation and Translation training sessions she also volunteers with special events, fundraisers, International Women's Day, Casino Night, and youth events. Monica also volunteers her time translating and interpreting for other organizations in Calgary.

Monica is being recognized because of her passion to work to the best of her abilities. She loyally supports clients and will do any job requested of her. She is committed, dependable, always and brings a positive attitude in all she does. She loves to share her knowledge and experience while training others and truly believes in the work CIWA does.

Congratulations Monica Kim for being Volunteer of the Month for November!
