

Shuvechchha Gautam

Shuvechchha Gautam, originally from Nepal, has been in Canada since November of 2010. Her background is in Banking and she has her Masters of Business, specializing in Accounting. In her free time she likes to travel and listen to music.

Shuvechchha volunteers at CIWA as a receptionist, helps with interpretation and has assisted with English classes in the past. She has also attended the Enhancing Volunteer Capacity computer training to aid CIWA in its capacity to translate communications materials.

Shuvechchha likes volunteering as it gives her the chance to interact with people from all cultures and help them with their goals. She thinks that "if you want you can do anything, the only thing is you have to have a heart to do it. If the eyes don't want to see, neither light nor glasses will help. Only you can make a difference and open your eyes to see things." She believes that volunteering has provided her the opportunity to learn new things, improve her skills and make her feel better.

Shuvechchha is a very committed and reliable volunteer. She is efficient, dedicated, friendly and always willing to help out. Her multi language ability of speaking English, Nepali, Hindi, Urdu and Punjabi has been a great asset to the front end team at reception and has been an integral part in clients receiving services from CIWA.

With extreme gratitude we are pleased to announce Shuvechchha as the Volunteer of the Month for September 2011.
