

# Titi Farassat Memar

## VOLUNTEER OF THE MONTH

Titi Farassat Memar, originally from Iran, came to Canada in July of 2010. She has a Bachelor's Degree in Judicial Law from Shahid Beheshti University and has 12 years experience working as a paralegal in a variety of firms and organizations. Titi attended CIWA's Office Administration Program and is currently involved in a work placement at Calgary Legal Guidance. In her free time she likes spending time with her children, shopping with her family and using the computer.

Titi currently assists with CIWA's Legal Clinic on Wednesday evenings. She has also helped as an ESL mentor and with interpretation. Titi likes to volunteer because she enjoys meeting people from many different backgrounds and cultures. She likes giving back to the community and using her immigration experience to help others with their process.

Titi is a very dedicated and loyal volunteer. Her hard work and common sense have helped CIWA's legal Clinic run very smoothly. She takes care of any situations that arise and is always very kind and sincere with clients.

With extreme gratitude we are pleased to announce Titi as the Volunteer of the Month for March 2012.
